PRINCIPALS (SECTOR WISE)

INFRASTRUCTURE SECTOR

- **Larsen & Toubro Limited (L&T), India**

EPC contractors for :

1. Airports
2. Seaports
3. Roads & Bridges
4. Railways, Metros and Trams
5. Buildings & Factories
6. On Shore and Off Shore Hydrocarbon Constructions
7. Metallurgical & Mineral Handling
8. Power Generation
9. Transmission
10. Distribution
11. Real Estate

- **Energop Sp. z.o.o., Poland:**

Prefabrication of complete high-, medium- and low-pressure pipelines and transmission pipelines for the power, petroleum and chemical industries, as well as for industrial building construction and the extractive industry (oil platforms).

- pipeline elements (bends, reducing pipes, T-pipes, flanges, hangers and mountings)
- pressure and non-pressure rectangular and circular vessels, made of carbon steels, alloy steels, austenitic steels and other Duplex-type steels
- absorbers for the flue gas desulfurization plant
- reactors for the flue gas denitration plant
- reactors for the water degassing stations in power plants
- structures for the offshore industry
- main and auxiliary structures
- flue gas passes and air conduits
- Assembly services within the aforementioned production profile

- **Energomontaz-Polnoc Gdynia S.A., Poland:**

Highly specialized, fully equipped steel structures for:

- offshore sector ,
- energy (conventional, renewable and nuclear),
- chemical and petrochemical industry,
- shipbuilding industry. The company performs also conversions of offshore vessels to support offshore wind farms and oil & gas industry

POWER SECTOR

- **AFL Telecommunications , U.S.A.:**

Optic Ground Wires for Transmission Lines

- **Avails Technovators Pvt. Ltd., India:**

Aviation Warning Lights & Spheres

- **ESBI, Ireland:**

Consultants

- **Onsite HV Solutions, Switzerland:**

Our service partner **Onsite HV solutions** along with our Joint Venture company **Arab Gulf Voltech Services** carries out Condition Assessment and Diagnostic testing of MV, HV and EHV Power Cables using OWTS Damped AC Testing Technology for the Middle-East and India.

- **Maclean Power Systems, U.S.A:**

HV Composite Insulators

- **Simplex Engineering Co., India:**

Hot Dip Galvanized Fasteners

Simplex Engineering Co.

- **Larsen & Toubro – Electrical & Automation, India:**

Feeder Pillars and Service Turrets

- **Impragnierwerk Wulknitz GMBH, Germany:**

Wooden Poles & Kicking Blocks

Imprägnierwerk
Wülkritz GmbH

- **Power Arbor Sp. z.o.o., Poland:**

Modern solutions for on-site testing and diagnostic for power companies including compact test and diagnosis vans to check the quality of the power network components

- **ZPUE, Poland:**

LV & MV Switchgear, Container Transformer Station, Overhead Switch Disconnector, Comprehensive Development & Services

- **Electrum, Poland:**

EPCM for Energy Industry and specialised engineering

- **Pergam-Suisse AG, Switzerland:**

Diagnostic equipment and services for the electrical industry

- **TAMCO Switchgear (Malaysia) SDN BHD, Malaysia**

RMU, Air Insulated Switchgears (12kV, 22kV and 36kV),
Gas Insulated Switchgears (36kV)

- **Gaon Cable Co. Ltd., Korea:**

Power Cables, Instrumentation and Control Cables,
Copper cables, FOC Cables and Conductors

- **Dalekovod, Croatia:**

Overhead Line Fittings

- **SBB Energy S. A., Poland:**

Commissioning, Erection/Installation and various types of Specialist Works

- **Tesar S.r.l., Italy:**

Dry Type Cast-Resin Transformers

- **Instytut Elektrotechniki, (IEL), Poland:**

- Testing of equipment in accredited (AB 074, AB 022, AB 067 and AB 007) and non-accredited laboratories.
- Confirmation of parameters and requirements of standards of equipment by accreditation body (AC 168).
- Research and development of electrical equipment for power conversion, electric traction, energy storage and distribution, electrical drives, insulators and insulating materials.
- Expertise and consultations on the issues listed above.

TELECOM SECTOR

- **AFL Telecommunications, U.S.A.:**

Optic Ground Wires & Fiber Optic Cables

- **Gaon Cable Co. Ltd., Korea:**

Fiber Optic Cables & Copper Cables

- **Saint Gobain Pipelines PLC, U.K.:**

Manhole Cover Frames & Fittings for Telecommunication

- **Commscope, Belgium:**

Joint Boxes and Patch Panels

- **Larsen & Toubro Infotech, India:**

Providing I.T. Solutions

- **Larsen & Toubro Information Technology Services, India:**

Providing Engineering Solutions

- **BKT Elektronik Sp. Z.o.o., Poland**

Complete FTTx solutions for ISP, structural cabling systems, passive solutions for Data Centers, LAN/WAN systems and telecommunications cabinets and enclosures.

OIL AND GAS SECTOR

- **Emprada Mines and Minerals, India**

Grey Barytes Powder

- **Larsen & Toubro – Electrical & Automation, India:**

L&T Electrical & Automation

Switchgears(MV and LV), Motor Control Centers, Electrical Control & Power Management Systems (PMS,IPCS,SCMS, LMLS, etc.), Relays, Switchgears (MV AIS and MV GIS)

- **Gaon Cable Co. Ltd., Korea:**

Power Cables, Fiber Optic Cables & Copper Cables

- **Dalekovod, Croatia:**

Overhead Line Fittings

- **Energop Sp. z.o.o., Poland:**

Prefabrication of complete high-, medium- and low-pressure pipelines and transmission pipelines for the power, petroleum and chemical industries, as well as for industrial building construction and the extractive industry (oil platforms).

- pipeline elements (bends, reducing pipes, T-pipes, flanges, hangers and mountings)
- pressure and non-pressure rectangular and circular vessels, made of carbon steels, alloy steels, austenitic steels and other Duplex-type steels
- absorbers for the flue gas desulfurization plant
- reactors for the flue gas denitration plant
- reactors for the water degassing stations in power plants
- structures for the offshore industry

- flue gas passes and air conduits
- Assembly services within the aforementioned production profile

- **Energomontaz-Polnoc Gdynia S.A., Poland:**

Highly specialized, fully equipped steel structures for:

- offshore sector ,
- energy (conventional, renewable and nuclear),
- chemical and petrochemical industry,
- shipbuilding industry. The company performs also conversions of offshore vessels to support offshore wind farms and oil & gas industry

RAILWAY SECTOR

- **Dalekovod, Croatia:**

Railway Electrification Fittings

- **Impragnierwerk Wulknitz GMBH, Germany:**

Railway Sleepers

**Imprägnierwerk
Wülknitz GmbH**

JOINT VENTURES

Tesar Gulf

- Joint Venture formed between Arab Gulf Pearl Group & Tesar – Sarel Group.
- Manufacture of dry-type cast resin distribution transformers up to a rating of to 2.5 MVA, 22KV for the regional market.
- It is an ISO 9001, 14001 & OHSAS 18001 certified company.

Arab Gulf Voltech Services Co. LLC

- Joint Venture formed between Arab Gulf Pearl Group & Voltech Group.
- An ISO 9001 certified company.
- Formed in 2004.
- Provides various services for distribution networks and substations including:
 - ❖ On-site testing
 - ❖ Commissioning
 - ❖ Maintenance
- Has 100 engineers employed in the U.A.E.
- Has access to 3000 trained engineers outside the U.A.E.

Gulf Catering Services LLC

- Joint Venture formed between Arab Gulf Pearl Group and Ben & Thommy, India.
- An industrial catering company in Dubai.
- Provides services to specialized customer segments (oilfields, remote sites, labour camps and institutions) across the Middle East including:
 - ❖ Catering
 - ❖ Housekeeping
 - ❖ Laundry

Al Jazeera International Catering LLC

- Joint Venture of Gulf Catering Services and FORCE 10 Group.
- Received Sheikh Khalifa Excellence Award in 2013.

Power Link Contracting

- Rentals of machinery and tools for the execution of:
 - ❖ Overhead transmission line stringing (up to 400 KV)
 - ❖ Erection of telecommunication and transmission tower projects.
 - ❖ Civil Construction
